Magnetic Name of Diaz Unseen Force Which Draws the  
Loyal Mexicans to Cause of a United Peace-  
ful People.

Mexico City, Feb. 10.—The night passed quietly in Mexico City,  
and 7 o'clock this morning saw no resumption of the fighting that yester-  
day resulted in the supposed flight of President Madero and the suc-  
cess of General Felix Diaz, the rebel leader.

Diaz has made no new move, and the general situation this morn-  
ing remains much as it was last night, when the rebellious army prac-  
tically seized the city after street fighting before the national palace  
that resulted in the death of General Bernardo Reyes and some 200 peo-  
ple.

Stories are rife that President Madero has fled the city, headed for  
some port on the east coast, while in other quarters it is declared  
that he has acceded to the peremptory demand of Diaz, voiced last night  
that he at once resign the presidency.

Neither of these reports could be confirmed at an early hour this  
morning. Relatives of Madero refused this morning to divulge his  
whereabouts.

Only a few troops came into the city during the night and the early  
hours of today, and these showed little disposition to fight.

Uncertainty Prevails.

Uncertainty as to what develop-  
ments would follow the revolt of  
the army, by which General Felix  
Diaz practically captured the Mexi-  
can capital yesterday, prevailed in  
Mexico City early today. The resi-  
dents of the city spent a quiet but  
sleepless night, expecting to see  
more fighting in the streets today.  
In yesterday's revolt over 200 per-  
sons were killed.

The populace did not know early  
today whether President Madero had  
fled from the capital. With a fol-  
lowing of about 100,000 said to num-  
ber 150,000, he took refuge in the na-  
tional palace yesterday but it was  
reported at daylight that under  
cover of night he had fled toward the  
eastern coast taking his family  
with him. It was also reported that  
all of the members of his cabinet  
had resigned.

The report of his flight was given  
credence, although it was without  
confirmation. His decision to flee  
the capital, it was said in the re-  
ports that he had fled, was due to  
General Blanquet's refusal to stand  
by him. General Blanquet arrived  
last night with a small portion of  
his forces, supposedly loyal to  
Madero, but he refused to fight  
against General Felix Diaz. Since  
the arrival of Blanquet's force, the  
barrages between the capital and  
Toluca have been burned. It is re-  
called that during the Orozco rebel-  
lion Madero stated what course he  
would pursue if the national capital  
was captured. He said he would  
never surrender, but in case Mexico  
City was taken he would remain in  
the government palace as long as  
possible, and then, with whoever re-  
mained loyal, he would transfer the  
seat of government to the hills in  
the south where he would keep up  
the fight for constituted govern-  
ment.

The city apparently was not con-  
vinced today that Madero would not  
be able to return to the city with  
enough troops to wrest from Diaz  
and his mutinous followers the pow-  
er which they seized yesterday. If  
Madero remained in the national  
palace or took refuge in the palace  
at Chapultepec, it was generally as-  
sumed that the bombardment of the  
palace would follow.

There was considerable specula-  
tion today as to what action con-  
gress might take. It was regarded  
as probable that congress would de-  
mand the resignation of the Madero  
administration.

The silence of the night in the  
streets was almost gravelike despite  
the fact that all of the regular po-  
lice had been removed and in their  
places patrolmen in groups made  
rounds of the city at long intervals.  
The only other night activity was  
the occasional passing of a Red Cross  
Automobile ambulance, either mor-  
tal or a victim of yesterday's revolt or  
taking up a position in readiness for

as to whether he could give protec-  
tion to foreign residents, but the  
president did not answer. The dip-  
lomats then sent a message to Gen-  
eral Diaz notifying him that they  
would look to him to give such pro-  
tection.

Cadets Start Revolt.

Led by students of a military  
school, the army rose in revolt early  
Sunday morning, took possession of  
the public buildings, shot down fed-  
eral adherents in the streets, released  
General Felix Diaz, leader of the  
Vera Cruz revolt, from prison, and,  
falling into line under his banner,  
practically captured the Mexican  
capital.

Francisco Madero, president of the  
republic, and members of his cabinet  
took refuge in the national palace,  
where they were besieged, but, with  
some loyal troops at their back, suc-  
ceeded in defending the palace from the  
assaults of the revolutionists.

Madero's family has taken refuge  
in the Japanese legation, and the  
president is making a fight, desper-  
ate in its efforts, against what ap-  
pears to be enormous odds for reten-  
tion of his power.

Diaz Holds Arsenal.

General Diaz, who is the nephew  
of the deposed president, Porfirio  
Diaz, is now at the head of three-  
fourths of the capital troops, includ-  
ing most of the artillery, and is in  
possession of the arsenal in the city  
and the powder works near by.

Madero is relying on the loyalty of  
General Blanquet, who has been  
summoned from Toluca, forty miles  
distant, but Blanquet has only 1,000  
men under his command, and the  
rebels are confident of defeating him  
should he refuse to join the revolt.

The day was marked by four sepa-  
rate engagements. The most sangui-  
nary took place in front of the na-  
tional palace, but the most impor-  
tant was that which terminated in  
the formal surrender of the troops  
in the artillery barracks.

General Reyes Killed.

It is believed that not less than  
200 persons were killed in the fight-  
ing. Among the number was Gen-  
eral Bernardo Reyes, a strong ad-  
herent of Porfirio Diaz and ex-ec-  
utive secretary of war.

The mutinous troops were led by  
students of the military school at  
Tlalpam, a suburb. Late Saturday  
night students captured the powder  
magazine in the suburb, about six  
miles from the city. Before daylight  
Sunday morning the students and  
soldiers of the garrison marched to  
the Zocalo in perfect order. On the  
way to the national palace they cap-  
tured and disarmed all policemen.

Cry "Death to Madero."

They marched to the prison to  
which General Felix Diaz had been  
transferred for safe keeping and re-  
leased him, and then freed General  
Bernardo Reyes from Santiago mili-  
tary prison. There was no resist-  
ance in either quarter.

Both of these men were then taken  
to the palace by the troops, fol-  
lowed by huge crowds shouting for  
Diaz and Reyes and "Death to Ma-  
dero."

Their arrival at the palace  
was hailed by enthusiastic thousands  
of common people, who poured into  
the Zocalo Plaza, on the east side of  
which stands the government build-  
ings.

To the army of mutineers quickly  
came portions of the First Cavalry,  
Twenty-fourth cavalry and Twen-  
tieth infantry. General Manuel  
Mondragon, retired, was in com-  
mand, but gave way to Generals Diaz  
and Reyes.

Scores Die Before Palace.

At 8:30 o'clock the first encoun-  
ter with loyal troops occurred in  
front of the national palace, and  
General Reyes, whose long record as  
an army officer was broken little  
more than a year ago by a tactical  
revolt, was killed instantly by a bul-  
let through the head.

General Lauro Villar, post com-  
mander of the capital, who remain-  
ed loyal, was among those slightly  
wounded. The minister of war,  
General Garcia Pena, also received a  
slight injury.

About 500 cavalry and the infan-  
try lined up the full length of the  
palace almost 700 feet. Other troops  
were lying on the paving in skir-  
mish order. A body of mounted po-  
lice were stationed at the south end  
of the palace, where Diaz stood  
watching.

Machine Guns Spit Hail.

Suddenly the south door of the  
palace, known as the president's  
door, flashed open and from it came  
the report of a rifle. At the same  
moment General Reyes crumpled  
into a heap. He had been shot  
through the heart and died instan-  
tly. His death was the signal for  
general firing. In an instant the  
machine guns on the roof began  
spitting their hail of lead and steel,  
and simultaneously the artillery,  
which had approached from the  
south, began an attack on the cav-  
alry.

The mob in the streets swung  
about and beat a hasty retreat for  
any available shelter. In a minute  
or two the Zocalo was filled with the  
dead and dying. Everywhere a pool  
of blood marked the place where  
the bullets had found a mark. The  
shrapnel and the solid shot of the

Fighting Occurs Along  
Battle Line.

Podgoritz, Montenegro, Feb. 10.—  
The Montenegrin army besieging the  
Turkish fortress of Scutari carried  
at half-past ten this morning after  
several hours of severe fighting.

The infantrymen on several occa-  
sions came into close quarters  
with the Turkish forces, and the  
fighting was general along the line.

Baranjoli Hill dominates Scutari  
from the eastern side and the Mon-  
tenegrins are mounting siege guns  
on the heights to bombard the prin-  
cipal points of the city.

Fighting has gone on since early  
morning all around the city. The  
Turkish defenders are disputing the  
ground against the besiegers with  
fierce determination and courage.

6,500 Dead and Wounded.

Cettinje, Montenegro, Feb. 10.—  
The capture of Baranjoli Hill at  
Scutari by the Montenegrins cost  
the victors 2,500 men in killed and  
wounded.

The Turks left 4,000 men dead  
and wounded on the field of battle.

ACQUITTED MAN  
CALLS IT A PLOT.

New York, Feb. 10.—Mr. and Mrs.  
S. O. Beach returned from Aiken,  
S. C., yesterday direct from the trial  
of Mr. Beach at which he was acquit-  
ted of the charge that he had at-  
tacked his wife with a knife. Mr.  
Beach was wrapped in a fur coat  
and looked haggard and worn. The  
verdict was none other than we all  
expected it to be, he reiterated,  
"and the whole affair was nothing  
but a disgraceful plot."

## HERE IS WARNING TO POLITICAL PROPHETS

Judge in Bond-Dean Case Must Decide if Prediction of  
Candidate's Defeat or Threats of Opposition May be  
Legally Considered Bribery.

Columbus, O., Feb. 10.—Is one  
who predicts the defeat of a legisla-  
tor or threatens him with his per-  
sonal opposition and the opposition  
of his constituents, guilty of bribery?  
This is the unusual and somewhat  
odd question which was presented to  
Judge C. W. Rogers, presiding in the  
Bond-Dean bribery case, today by  
Attorney William Boyd of Cleveland,  
for the defense, in his argument to  
the jury.

Prosecutor Turner in his argument  
to the jury laid stress upon the sec-  
ond count of the indictment against  
the former mayor of Columbus,  
Charles Anson Bond, and the former  
senator from Fremont, Thomas A.  
Dean, which charges them with bribe-  
ry in promising to State Senator  
Drake of Erie county, re-election in  
case he voted against the Rose  
county option bill.

Attorney Boyd in his address to  
the jury, took occasion to address  
Judge Rogers upon this count of the  
indictment, contending that the only  
evidence in the case touching upon  
this count was that promising the  
opposition of Dean and his constitu-  
ents in case Drake voted for the bill,

He contended that this was not bribe-  
ry, or if it is, man, is guilty of  
such an offense at each session of  
the legislature.

Judge Rogers took the matter un-  
der advisement and will touch upon  
it in his charge to the jury to-mor-  
row morning.

Prosecutor Turner, in opening the  
argument to the jury, laid particular  
stress on the fact that Dean looked  
upon Drake as "his man," and that  
he held the political life of Drake in  
his hands. Sarcastic reference was  
made to the fact that Dean had no  
interest in the Rose law, but in tak-  
ing up that matter with Senator  
Drake was simply doing so for the  
good of Drake's political existence.

He called attention to the fact that  
Dean was alleged to have promised  
Drake re-nomination and re-election  
during the next campaign should he  
withdraw his support from the Rose  
bill, and also to the fact that im-  
mediately after the Rose bill was passed  
Senator Dean is alleged to have told  
Drake that he would oppose him  
himself before the convention for the  
nomination for state senator during  
the next campaign.

## RAILROADS AWAKEN TO OWN ADVANTAGE.

Washington, Feb. 10.—Increased  
efficiency in the handling of freight  
cars during the last six months has  
been "equivalent to an addition of  
more than 150,000 freight cars" to  
the equipment of American railroads.  
This statement is made in a report  
to Chairman Lane of the Interstate  
commerce commission by Arthur  
Hale, general agent of the American  
Railway Association, who says the  
figures show that "the American  
freight car beat the record for ef-  
ficiency."

That they mean much to the  
American railroads is indicated by  
the fact that, without any count of  
inefficiency, it would have required  
150,000 additional cars to perform  
the service. These cars would have  
cost the roads a total of \$120,000,-  
000.

## TO PUMP COAL BY PIPE LINE

From Large Rich Fields in  
Illinois to the City of  
Chicago.

HYDRAULIC POWER  
WILL BE UTILIZED.

Expert Engineer Has Great  
Idea Which May be  
Financed.

Chicago, Feb. 10.—The transpor-  
tation of coal from the Illinois fields  
to Chicago, and a pipe line is a pro-  
ject said to be well under way by  
local financiers. A meeting will be  
held tomorrow at which details for  
financing the proposition will be  
taken up.

The plan is to pump the coal by  
hydraulic power, which it is argued,  
can be done at a cost impossible for  
the railroads to meet. John Ran-  
dolph, engineer of the sanitary dis-  
trict, who is the expert behind the  
project, would not discuss the plan  
last night, further than to say that  
it was certain that the fuel could be  
delivered in Chicago cheaper than at  
present and that the new process will  
revolutionize the coal carrying trade.

Mr. Randolph has been working  
on the engineering problem involved  
for two years and it is said the right  
of way for the pipe line has been  
obtained.

The idea of carrying coal in this  
way came to the engineer after  
watching a park dredge at work. He  
saw boulders more than six inches in  
diameter which had been taken  
from Lake Michigan pumped through  
leaky irregularly laid pipes for more  
than half a mile. The coal which is  
much lighter will have to be broken  
to a certain extent before it can be  
pumped.

The annual consumption of coal in  
the city for steam-making purposes,  
is about six million tons.

## MARTYRS TO SCIENCE PERISH IN POLAR ZONE

CAPT. ROBT. F. SCOTT  
AND PARTY SUC-  
CUMB

To Overwhelming Ravages  
of Terrific Blizzard in  
the Antarctic

POLAR EXPEDITION  
STARTED IN 1910.

Heroic Party Slowly Made  
Their Way to the Ex-  
treme South.

Wife of Explorer, Uncon-  
scious of Her Sorrow, on  
Way to Meet Scott

London, Feb. 10.—News reached  
the world today that Captain Robert  
F. Scott, the Antarctic explorer, and  
unknown number of his companions  
perished in the Antarctic while on  
their return journey from the south  
pole.

They reached their goal on Jan-  
uary 18, 1912, about a month after  
Captain Roald Amundsen, the Nor-  
wegian, had planted the flag of his  
country there. They then turned  
back toward the bases they had for-  
med on their outward journey but were  
overaken, overwhelmed and de-  
stroyed by a blizzard.

The news of the death of the ex-  
plorer brought to civilization  
today by the captain of the Terra  
Nova, the vessel which had taken  
Scott's expedition to the south and  
back had gone again to fetch them  
back after the accomplishment of  
their task.

A searching expedition recovered  
the bodies and records of the party.  
Only a few brief bulletins were  
sent today from the New Zealand  
port of Oamaru by the captain of the  
Terra Nova, who related simply the  
fate of the party and then proceeded  
with his vessel for the port of Little-  
ton where he should arrive Thursday.

The disaster came as an utter sur-  
prise to London and cast a gloom  
over the community which has been  
unusually since the death of King  
Edward.

It is believed here that the dis-  
aster did not involve all of the Scott  
party of 66 but probably only Scott  
himself and the four others selected  
by him for the final dash for the  
pole. These are supposed to be Dr.  
E. A. Wilson, chief of the scientific  
party, Captain L. E. G. Oates, of the  
invaluable dragons, Lieutenant  
H. R. Bowers, of the Royal Indian  
Marine, the commissariat officer, and  
petty officer E. Evans, of the British  
Royal Navy.

Equipment Complete.

The expedition under Captain Scott  
was the best equipped that had ever  
been gathered together for such an  
adventure. It sailed from Port  
Chalmers near Christchurch, New  
Zealand, on November 29, 1910.

The Terra Nova made direct south  
into Ross sea. Early in January  
1911, she forced her way into Mc-  
Murdo Sound, where winter quarters  
were established on Cape Evans.

The members of the expedition had  
a very arduous task in putting their  
stores on shore and the work took a  
week. However, they were able to  
make themselves very comfortable  
there in houses, which they had car-  
ried with them in "knock-down"  
form. They at once began their  
scientific observation.

Provisions for a three years' stay  
in the ice regions had been taken on  
board the Terra Nova and these  
were placed on shore.

Captain Scott had with him 20  
Siberian ponies, 30 dogs and two  
motor sleds.

The ponies, dogs and motor sleds  
were to be used alternately for  
transport across the 1500 miles be-  
tween the landing place and the  
pole.

It was arranged to cover ten miles  
daily and it is apparent that this  
scheme was carried out up to the  
moment they reached the pole.

The date of Captain Scott's at-  
tainment of the south pole, January  
18, 1912, shows that he reached the  
goal of his expedition almost exactly  
one month after Captain Roald  
Amundsen, the Norwegian explorer.

Captain Amundsen's report sent to  
King Haakon of Norway read:  
"Pole attained 15th 17th Decem-  
ber, 1911. All well."

MONEY ORDERS  
NOT SO POPULAR.

Washington, Feb. 10.—Inter-  
national postal money order busi-  
ness decreased nearly \$12,000,000  
during the past year. The decrease  
was due almost wholly, according to  
postal authorities to the operation  
in this country of the postal savings  
system.

In the two years preceding the  
establishment of the system inter-  
national money order business in-  
creased at the rate of \$17,000,000 a  
year, and during the eight years  
previous to that period the average  
increase was approximately \$9,000,-  
000 a year.

There's One for You!

ABC

You may know your letters from A to Z, but we know you do not know Ohio as our Ohio Almanac knows it.

It has been compiled by experts and revised by authorities, and is offered to you with the idea of giving you an Ohio Reference Book on which you may rely. It is compact, handy—it is a cyclopedia to which you will refer day in and day out when you become acquainted with its contents.

Here is a publication of 320 pages that covers the state

IN FACT—  
It tells more about Ohio than any other one or two, or more books ever put between covers.

We skip at random through the index and find that our Almanac carries information about these things, in addition to more than 100,000 other items: Tax laws, military history of Ohio, coal production, presidents from Ohio, climate and climatology, weather and frost maps, history of counties, board of election members, and all state, county and city officials, manufacturing, agricultural, election and population statistics, Constitution of Ohio with new amendments, etc.

We want you to have an Ohio Almanac, because it will give you information about Ohio that you have not known—and the more you know about this state the better you'll like it.

## MRS. A. HAHN WILL APPEAR

Former Lima Woman and  
Queen City Musician to  
Assist in Recital.

CLINTON RICHMOND  
ORGANIST ARTIST.

Review of Musical Events  
Past and to Come  
in Lima.

Members of the Women's Music club have another delightful treat in store, when on Thursday afternoon, February 27, Mrs. Adolph Hahn (Mamie Davis), of Cincinnati, will be one of the assisting artists at the matinee organ recital, to be given by Prof. Clinton Richmond, at Trinity Methodist church. Mrs. Hahn is a former Lima resident, the daughter of Mr. and Mrs. E. F. Davis, of 201 east Circular street. She stands very high in musical circles in Cincinnati, being president of the Matinee Musical club of that city, and is an artist of great ability. With her, will be one of the best baritone singers of the Queen City. The program to be given then, will be quite worth the while of any one to hear. Members of the club may invite a guest and a lovely afternoon of music is promised.

Christ Church, Episcopal, was filled Sunday afternoon for the second vesper service of the Lenten season, arranged under the direction of the rector, Rev. (Dr.) Arthur M. Griffin. Music was furnished by the chorus choir, in charge of Mr. Ernest Baird, composed of both male and female voices. The solo of the afternoon, "There is a Green Hill Far Away," by Gounod, was sung by Mrs. Forster Robinson, in a very pleasing manner. Mr. Otis McBride was at the organ. Dr. Griffin had for his subject, "All Things Work Together for Good to Them That Serve the Lord." These vesper services meet with the approbation, not only of parishioners, but the public as well, who desire to attend.

The regular monthly musicale of the Central Church of Christ was held Sunday evening, in charge of Miss Millie Sonntag choir director, with Miss Lucille Ford at the organ. A trio by Misses Vera Neely, Minnie and Millie Sonntag, a solo by Mrs. J. E. Evans, a duet by Mrs. Melvin Light and Miss Helen Kahle, and a solo by Miss Millie Sonntag, made up the program. The church was filled to enjoy the delightful evening.

Not in a long time has more interest been created than in the old-fashioned concert, announced for Friday evening, February 21, at the First Baptist church. Owing to the fact two of these concerts have already been given, the success of this concert is assured. It will be a delight to the ear and the heart, to hear once again the rendition of the numbers so much sung and loved by our forefathers. The splendid pipe organ at the First Baptist church will be supplanted for use that evening by a melodeon, as old-fashioned in itself, as the songs which will be sung.

One of Lima's youngest performers, Miss Glenna Morris, who has become proficient in the interpretation of violin music, left this morning for Uniontown, Pa., where she joined the Oberlin Concert Company and with them will appear, in the program given in that city this evening. Miss Morris has made a study of the violin since childhood and has been under the tutelage of teachers who have reached a reputation in the musical world. The company fills lyceum engagements and there is no doubt but that the work of Miss Morris will redound to the credit of the company.

For the regular matinee recital of the Women's Music club, to be held next Thursday afternoon at the Elks' home, a program of student music has been prepared, with Miss Florence Campbell and Miss Ella Eysenbach, as leader. The following numbers will be given:  
"Piano Polonaise in A" ... Chopin  
Misses Lucille Ford, Harriet Zerkel, Ada Schermachern and Edna Peate.  
Song, "Elusive Love" ... Robinson  
Miss Dorothy Richards  
Song, "If I Built a World For You" ... Liza Lehman  
Miss Halce Hutchison  
Violin and Piano Duet, "Devil's Trill Sonata" ... Tartini  
Misses Vera Watson and Ella Eysenbach  
Song, "A Rose Fancy" ... Geraldine Lane  
Mrs. Melvin Light  
Piano "Valse Caprice" ... Rubenstein  
Mrs. Warren F. Snyder  
Reading ... Selected  
Miss Edna Bassler  
Song, "It is Not Raining Rain to Me" ... Helena Bingham  
Miss Lillian Johnston  
Violin, "Air On the G String" ... Bach  
Mrs. Walter O. Dean  
Song, "O Fatal Dower" ... Verdi  
Miss Bertha Falk  
Piano, "The Chase" ... Rheinberger  
Miss Esther Lynch  
Song, "The Temple Bells" ... Amy Woodford Finden

### FIRST U. B. CHURCH REALIZES INCREASE

Services of Three Weeks Marked by Thirty-Two Accessions to the Church.

The series of revival services, which for the past three weeks have been in progress at the First United Brethren church, continue and following the service this evening, announcement of the policy as to further continuance of the meetings will be made. Yesterday 15 more were added to the church, making 32 accessions in all which the church has secured in the three weeks. The meetings have been under the direction of the pastor, Rev. J. B. Bovey, and he has been nobly sustained by the membership,

### WHICH MAKES THEM NO LESS GUILTY.

New York, Feb. 10.—The government's case against A. L. Wisner, and John J. Meyers, indicted for misuse of the mails to promote oil and mining properties resulted in no verdict. The jury was discharged after vainly trying for 46 hours to agree.

The trial lasted nine weeks and more cost the government \$70,000. Wisner and Meyers were accused of defrauding investors all over the country of more than \$2,000,000. Their main defense was that a part of the money was for a government witness, got most of the money.

### M. B. A., NOTICE.

A box supper social will be given on Valentine eve, February 11, at Morris Bros. hall.

No one admitted except by special invitation.

Ladies will bring lunch box for two. The committee will do the rest.

Admission free, but special door-keeper will see that the above rule is strictly enforced.

Order of committee.

### DELPHOS.

Rev. Father John Tomias who has assisted Father Rupert at St. John's Catholic church for the past few months, left Delphos to take up his work in Ft. Wayne, Ind., as assistant priest at the Cathedral parish. Father John made many friends during his short stay at Delphos. Though the members of St. John's Catholic church regret very much his leaving they extend their best wishes and congratulate the Fort Wayne Cathedral parish in securing such a noble priest as the assistant.

Around 40 couples enjoyed a very pleasant time at the dance at the City hall Wednesday evening. The Delphos orchestra recently organized rendered excellent music. The dance was given by the Delphos orchestra, being one of the series of dances which this orchestra will hold during the dancing season.

At 8:30 o'clock Tuesday morning Miss Anna Daugherty of Lima became the bride of Alfred Weyer of this city. The wedding was held at St. John's Catholic church at Lima.

The Delphos men had prize-winning birds on display at the poultry show in Lima last week.

Gurney Berrels was in Lima Thursday morning on account of the death of Jacob Orth.

Mrs. D. H. Sullivan of Lima, was in Delphos Thursday morning looking after business matters.

Misses Adeline and Henrietta Jettinhoff came home from the Ohio State University Wednesday evening for a short visit. They will return Tuesday next.

## THE WEATHER.

Columbus, O., Feb. 10.—Forecast  
for Ohio:  
Increasing cloudiness followed by  
snow Tuesday and in west portion  
tonight. Rising temperature.

Kansas is swinging into line for  
the initiative and referendum. A  
bill providing that condition has  
passed both branches of the state  
legislature.

It is going to be more difficult to  
get a Nevada divorce which will  
probably result in the divorce mills  
being run overtime for a while.  
Hitherto it has required six months  
residence in that state to enable  
persons to procure a divorce, but  
the legislature has just passed a law  
extending the period to 12 months.  
The new measure, if passed by the  
state senate will become operative  
after January 1, 1914.

## THE DEADLY CROSSING.

Gates, watchmen, lights, bells,  
whistles and instructions to street  
car men have not one of them or  
all of them served to prevent grade  
crossing accidents. They occur de-  
spite every contrivance so far in-  
vented to prevent accident. They oc-  
cur in spite of the most rigid com-  
mands, the most threatening and ex-  
plicit of laws. They happen in spite  
of accidents which ought to act as  
the best kind of warnings.

This city, no more than any other  
city, can hope to escape the con-  
stantly recurring crossing accidents  
until every crossing at grade has  
been done away with. It will cost  
an immense amount of money to  
eliminate the crossings in Toledo.  
But the protection of human life is  
of vastly more importance than the  
item of cost. The safety of resi-  
dents of this city is of more vital  
importance than the right to boast  
an increase in transportation fac-  
ilities. A definite policy of grade  
elimination—slowly, if our funds  
compel it, but surely—must be  
adopted by this city.—Toledo Blade

Every proposition contained in  
the above editorial can be applied  
with perfect consistency to the city  
of Lima. The evils of the grade  
crossing are becoming more ap-  
parent in this city every day, and  
the duty that faces those in au-  
thority is to take such measures as  
will cause the elimination of these  
death traps at the earliest possible  
moment.

## DONAHAY'S APPOINTMENTS.

A. V. Donahay, auditor of state,  
has announced his appointments of  
assistant county and city examiners.  
All in the list are democrats. The  
first list of appointments announced  
by Auditor Donahay contained the  
names of several competent repub-  
licans who were retained tempo-  
rarily to instruct the democrats just  
appointed to office by the state au-  
ditor. As these become skilled in  
the duties of the department of in-

spection and supervision of public  
offices the republicans therein will  
become fewer and fewer.

The assistant county examiners  
appointed are: George L. Thompson,  
of Ross county; S. B. House-  
holder, Mahoning county; J. S.  
Clifton, Licking county; E. K. Per-  
rott, Belmont county; W. F. Bowen,  
Hocking county; F. G. Jones, Ash-  
tabula county. The assistant city  
examiners are: James Rosenberger,  
Lucas county; O. O. Albright, Stark  
county; F. B. Green, Harrison  
county; John H. Haffey, Cuyahoga  
county; J. E. Weecott, Wayne  
county, and a Mr. Cook, of Hamilton  
county. The assistant village exam-  
iners are: Joseph M. Howell, Law-  
rence county; Lon Selpie, De-  
laware county; Wilber E. Barber,  
Fosteria, democrat, was appointed  
chief examiner of state departments  
in the state house. His assistants  
will be E. H. Blair and Joseph Ho-  
gan, Jackson county, and H. B.  
Mitchener, Belmont county, all dem-  
ocrats.

## NEW BANKING BILL.

Since the department of banks  
was established in Columbus in 1908  
to see that all the state's financial  
institutions were conducted accord-  
ing to laws enacted to safeguard de-  
positors and patrons, the state has  
expended approximately \$200,000 to  
maintain that department.

Governor Cox has decided that  
outlay of money must be stopped,  
and the department be made self-  
sustaining. His idea is that as it  
is necessary to incur expense to  
keep the state chartered banks with-  
in the limit of the law, that burden  
should be imposed upon the insti-  
tutions rather than upon the peo-  
ple.

Acting under the order of the  
governor, State Banking Superin-  
tendent Baxter has drafted a bill  
providing a schedule of payments by  
the banks that will make the state  
department self-sustaining. All  
financial institutions created by the  
state and having assets less than  
\$100,000 in value will pay a fee of  
\$50 annually. All banks with as-  
sets in excess of that figure will pay  
the \$50 fee, and, in addition a levy  
of one-seventy-fifth of 1 per cent will  
be made against the resource of such  
institutions. The maximum fee,  
however, is placed at \$1,500 an-  
nually.

In addition a bank seeking a  
charter must pay a \$50 fee, which is  
to cover the cost of the preliminary  
investigation and the first year's fee.  
Strange as it may seem foreign trust  
companies have never been required  
to pay a cent for authority to do  
business in Ohio. The new govern-  
or was quick to suggest that a fee  
be exacted, and in response the Bax-  
ter bill provides for the payment of  
\$50 before such a certificate to  
transact business in this state can  
be granted. Failure to pay the  
schedule of fees set forth in the bill  
on or before November 15, of each  
year, entails a penalty of \$100 for  
each day the same remains unpaid.

There are only seven banks in  
the state that will be forced to pay  
the maximum fee, while 63 will pay  
the minimum amount. The state  
department has been hampered by  
lack of funds and has been unable  
to examine each institution semi-  
annually as required by law. The  
new bill will provide sufficient re-  
venue to give the depositors the pro-  
tection that the frequent inspections  
provide.

## THE INCOME TAX.

By Clyde H. Tavenner.

paper.

Washington, Feb. 10.—Few per-  
sons realize the far reaching im-  
portance of the fact that the United  
States will soon have an income tax  
on its statutes.

First of all it means that mil-  
lions will, for the first time since  
this nation has stood, bear a fair  
proportion of the burden of taxation.

It is estimated that one hundred  
million dollars will be raised an-  
nually by taxing incomes. This will  
mean that that amount of taxation  
is to be taken off of the things that  
the people must have in order to  
live and placed on wealth.

Under the system of protection as  
played in this country, nearly every

penny of the money necessary to run  
the government, maintain the army  
and navy, construct public buildings,  
etc., is raised by taxing the things  
the people eat, wear and use. The  
only thing that protection does not  
tax is wealth. A man with a for-  
tune of ten million dollars has not  
been required to pay a single penny  
of tax to the national government.  
This seems almost unbelievable, but  
it is true. The man working on the  
section for one dollar and fifty cents  
per day, with a family of five chil-  
dren, is at the present time actually  
contributing more to run the na-  
tional government than the million-  
aire bachelor, too proud to marry  
and raise a family.

The United States of America is  
practically the only one of the great  
nations where such a condition ex-  
ists. Nearly every first class nation  
on earth levies either an income tax  
or an inheritance tax. We have  
neither.

Why have we never been able to  
place an income tax on the statute  
books, is the question that naturally  
arises. Here is the answer: High  
protectionists have prevented the  
passage of an income tax law, be-  
cause they knew that the more  
money the government collected  
from taxing incomes, the less ex-  
cuse there would be for a tariff tax.  
To take protection away from the  
tariff trusts is to interfere with their  
monopolies. And how could the  
tariff trusts gouge consumers with-  
out having monopolies of American  
markets?

The Cotton Tariff Robbery.

The American people are paying  
annually about \$80,000,000 more  
for their cotton goods than they  
ought to pay, because of the iniqui-  
tous Payne-Aldrich tariff law. The  
sixty-third congress is preparing to  
interfere with this robbery. There  
will be a big downward revision on  
all kinds of cotton goods.

The cotton schedule of the Payne-  
Aldrich law carries an average duty  
of about 53 per cent. This means  
that every article of cotton cloth  
and every piece of cotton yarn that  
comes through the custom house,  
has 53 per cent added to its foreign  
price. And on cotton goods that  
do not come through the custom  
house, but is manufactured in this  
country, the 53 per cent is added  
just the same by the home manufac-  
turer.

When the tariff on cotton goods  
is reduced one-third or one-half of  
the present rates, this article so  
much used by women and children,  
may be had at the price more nearly  
representing the actual value of the  
goods.

That a city official has been un-  
usual in Columbus is so unusual in  
that city that it commanded a "sca-  
red" on the front page of the State  
Journal of Saturday. Is the in-  
ference that they are more difficult  
subjects for conversation, or is the  
change of condition more important  
because the subject is a city official  
rather than a lay member of the  
community?

## WHITE HOUSE FUNCTIONS.

Social life at the White House re-  
mains extraordinary simple, notwith-  
standing the great growth of presi-  
dential power. No president has at-  
tempted to bring back the somewhat  
courtly atmosphere of the Wash-  
ington and Adams administrations,  
which Jefferson rudely dispelled.

The president of the United States  
is the most powerful and often the  
most distinguished political official  
in the world; yet no little princeling,  
bidding is over a square mile of  
sovereignty, leads an existence so  
plain or bears himself so modestly.  
Our democracy has triumphed in that  
respect at least, and here at any rate  
we do not give the lie to our pro-  
fessions.

We are so democratic, indeed, that  
it is a question if social functions in  
our official life are not a failure.  
There is a pretty general agreement,  
now it is a thing of the past, that the  
inaugural ball was not a success; the  
attendance at that function declined  
one-fourth in the twenty years be-  
tween 1889 and 1909.

Nor are White House receptions  
unqualifiedly successful. They may  
be brilliant affairs in the eyes of the  
family of a new congressman from a

new county, but soon or late they  
cease to impress and become a bore.  
At such older members of the official  
circle meet with deprecations and  
apologies, and when they greet a  
foreigner accustomed to the courts  
of royalty they are uneasy lest he be  
laughing in his gold-branded sleeve.

The constituent elements of the  
gathering necessarily must be rep-  
resentative of all our social diversi-  
ties. Democracy makes that neces-  
sary. And there is nothing to stop  
men from getting into the senate  
and then into the East room so  
suddenly as to leave them no time  
to order their first swallow fall or  
their wives to find a Washington  
dressmaker.

Pomp and ceremony are as alien  
to America as orange trees are to  
New England. A White House re-  
ception, therefore, is too simple to be  
a pageant and too stiff to be a  
pleasure.—Boston Globe.

HOGAN FAVORS LAW  
AGAINST LOBBYISTS.

Columbus, O., Feb. 10.—In an-  
swer to a letter received from Repre-  
sentative A. R. Read, of Summit  
county, asking his opinion as to the  
constitutionality of the anti-lobby  
law, recently passed by the legisla-  
ture, Attorney General Hogan says  
that as he viewed the act, it in no  
way infringed upon the rights of  
free speech.

"Any individual acting in his in-  
dividual capacity, and upon his own  
volition, is just as free to proclaim  
his sentiment in regard to any legis-  
lation, pending or contemplated,  
where, when and to whom he  
pleases, as if the act had never been  
passed," the attorney general said.

"It is only in case where a per-  
son does not act in his individual ca-  
pacity but acts for another, that the  
act applies. It is not for me to de-  
cide whether this measure is reason-  
able or unreasonable."

Attorney General Hogan does not  
think the law protects the profes-  
sional lobbyist and practically ex-  
cludes the common citizen from  
holding counsel with his representa-  
tive. He holds the opinion that if  
the measure had been enacted two  
years ago, some men who are now  
broken, disgraced and ruined, would  
be occupying positions of trust and  
honor. Representative Read op-  
posed the bill.

Health Warning.  
Chilled and wet feet result in con-  
gesting the internal organs, and in-  
flammation of the kidneys and blad-  
der, with rheumatic twinges and pain  
in back, generally follow. Use Fol-  
ley Kidney Pills. They are the best  
medicine made for all disorders of  
the kidneys, for bladder irregulari-  
ties, and for backache and rheuma-  
tism. They do not contain habit form-  
ing drugs. Tonic in action, quick in  
results. Enterprise Drug Store.

MEANEST MONOPOLY  
KNOWN TO MANKIND.

Cleveland, O., Feb. 10.—Four  
Jewish bakers, Jacob Makof, Bern-  
ard Rosen, Nathan Kreitzer and I.  
J. Heinberger, were indicted by the  
Cuyahoga county grand jury charged  
with being parties to a monopoly in  
restraint of trade. They are alleged  
to have raised by agreement the  
price on large loaves of rye bread  
and on biscuits.

When Burton Holmes recently  
gave his celebrated travogue on  
"Panama" at Orchestra Hall, Chi-  
cago, he was seriously interrupted  
by continual coughing of the audi-  
ence. No one annoyed willingly and  
if people with coughs, colds, hoarse-  
ness and tickling in throat would  
use Foley's Honey & Tar Compound,  
they could quickly cure their coughs  
and colds and avoid this annoyance.

TWO ELECTROCUTED  
AT CANTON PLANT.

Canton, O., Feb. 10.—Two men  
were electrocuted at the plant of the  
Canton Electric Company.  
Homer Lothermer and Howard  
Moore were at work on a piece of  
apparatus which slipped and fell  
upon a lightning arrester. Moore  
was thrown to one side and escaped  
death, but Lothermer was instantly  
killed.

Frank Pentland, rushing to the  
aid of the two men, was killed.  
His wife died recently.

T. P. KEVILLE  
PASSES AWAY

Dies at Home This Morning  
After Week's Illness  
With Pneumonia.

BORN IN IRELAND  
IN COUNTY GALWAY

He Landed in This Country  
the Day Lincoln Was  
Assassinated.

With unrelenting hand the grim  
reaper has stolen into another  
Lima home, and has brought to a  
close the life of the husband and  
father thereof. Thomas P. Keville,  
Sr., passed away this morning at  
about 7:30 o'clock from an attack  
of pneumonia, after an illness which  
had lasted but a week. Mr. Keville  
contracted a cold which developed  
into a very severe case of pneu-  
monia, and the latter part of last  
week the physicians feared for the  
worst. The uncertainty of his re-  
covery caused the calling to Lima of  
his son, Thomas P. Keville, Jr., from  
Columbus, where he is employed as  
an attaché in the state house.

Thomas P. Keville, Sr., was one  
of the oldest and most respected of  
the older residents of this city. A  
thorough-going gentleman, a pru-  
dent business man, a loyal husband  
and a loving father. Mr. Keville's  
death comes as a severe shock to  
his many friends and acquaintances  
in this city. Here he has made his  
home during the far greater part of  
his life in this country.

The deceased was born on the  
fifteenth day of April, 1838, in Kil-  
cony county, Galway, Ireland. He  
was the son of Mr. and Mrs. Thomas  
Keville, and during the greater part  
of his youth remained in Ireland  
with his parents. About the time  
that the Civil war broke out he first  
came to this country, and located in  
Warren county, Ohio. He lived  
here for about two years, and then  
returned to his old home in Ireland.  
There he remained for some little  
time, returning to this country in  
1865. He landed in the United  
States the second time on the day  
that President Lincoln was shot  
down by the assassin, John Wilkes  
Booth.

Mr. Keville came almost immedi-  
ately to Lima after this arrival in  
the United States, and here he  
lived, married, made his home and  
raised his family. The original  
family home of the Kevilles in Lin-  
cony was on Main street, but about 20  
years ago they left this, moving to  
their present residence on east  
Wayne street. For 25 years the  
deceased was the proprietor of the  
grocery store on the corner of  
Wayne and Union streets, next door  
to his home. He gave this up about  
5 years ago on account of his ad-  
vanced age, and retired into private  
life.

Thirty-five years ago, Mr. Keville  
was married in Lima to Miss Fanny  
Gavin, of this city. Thirty-five years  
of happy married life, a family of  
loving and respectful children, glad-  
dened the heart of the genial father,  
and made life worth while. His  
wife, two daughters and two sons  
are left to mourn for him. The  
daughters are Mrs. Joseph Cunning-  
ham and Miss Nora Keville, both of  
this city, the sons, Thomas P. Ke-  
ville, Jr., of Columbus, and Council-  
man John P. Keville, of Lima. Be-  
sides these Mr. Keville leaves one  
sister, Mrs. Byrne, of Galway, Ire-  
land, and a step-brother, John Cun-  
ningham, of north West street.

Throughout his life a religious ad-  
herent of the Roman Catholic  
faith, his entire residence in Lima  
has been marked by a faithful at-  
tendance at the St. Rose church. He  
was a member of the Catholic  
Knights of America and of the Cath-  
olic Knights of Ohio. At the pres-  
ent time no funeral arrangements  
have been made.

OLD MR. AURORA  
ON JOB ONCE MORE.

Buffalo, N. Y., Feb. 19.—Meteor-  
ic showers of exceptional brilliancy  
were seen from many points in west-  
ern New York last night. The  
showers came from the northeast  
and shot clear across the heavens to  
the southeast. There were half a  
dozen volleys. They were accom-  
panied by a display of Aurora  
Borealis.

HIGH COST TO LIVE  
LOWER ON CEREALS.

Washington, Feb. 10.—The "high  
cost of living," judging from figures  
issued today by the department of  
agriculture apparently is solving  
itself as the result of lower prices  
for agricultural products. The de-  
partment announces that on Febru-  
ary 1, the prices paid for staple  
crops averaged nearly 20 per cent  
lower than on the same date last  
year, 6 per cent lower than in 1911,  
and nearly 19 per cent below those  
paid in February, 1910. This de-  
cline was made in spite of the fact  
that the prices increased 1.5 per  
cent between the first of the year  
and the first of the present month.

Corn, wheat, potatoes and eggs,  
together with a number of other  
commodities are lower, although  
chickens are commanding a some-  
what higher price than this time last  
year. The increase extends virtu-  
ally to all meats, pork, beef, veal  
mutton and lamb all commanding  
higher prices. The prices of staple  
vegetables, however, have fallen.

NIGHT WATCHMAN  
CAUGHT UNAWARES

Kansas City, Mo., Feb. 10.—Nine  
negro women escaped from the  
women's reformatory here last night,  
after overpowering H. C. Boyd, the  
night watchman, and threatening  
him with his own revolver.  
The escape which had been care-  
fully planned, was made when the  
watchman went to the cell room to  
look up for the night, four of the  
women who had hidden in the cor-  
ridor rushed at him and threw a  
blanket over his head. They took  
his revolver and keys and hurried  
to the entrance. Boyd disengaged  
himself and ran for the door, over-  
powering the woman who flourished  
a revolver and slammed the door  
shut. But nine had escaped.

GOING PRETTY FAR

Washington, Feb. 10.—Carried  
captive behind a banner inscribed  
"women helped elect these men,"  
members of congress from those  
states having suffrage will march in  
the suffragist parade March 2. It  
was announced at national suffra-  
gist headquarters today, that at least  
40 senators and representatives  
would be in the procession. All who  
desire to take part, however, were  
cordially invited to do so in a let-  
ter of invitation sent them today by  
the suffragists.

**OF WHISKEY****Stolen From Neuman Sa-

Sunday Morning.****GLASS SMASHED

Charged With the  
Crime.**Another daring saloon robbery  
was reported to the police depart-  
ment early Sunday morning, and be-  
fore many hours had elapsed, three  
well known local characters were  
behind the bars of the city prison  
on suspicion of having been impli-  
cated in the crime. Six quarts of  
Clarke's rye and other minor ar-  
ticles were stolen from the William  
D. Neuman saloon, at 601 north  
Main street, some time after 1  
o'clock Sunday morning by the  
thieves, who gained an entrance into  
the place by smashing the glass in  
the front door.Dunc Hughes, Ben Althoff and  
Henry Mullen, alias Fisher, were  
arrested about 6 o'clock Sunday  
morning by Detective Heffernan and  
Reed, and lodged in the city jail on  
suspicion. One empty bottle and  
the fragments of another bottle,  
both answering the description of  
the bottles stolen were found in the  
C. H. & D. yards, near the spot  
the trio were arrested, and they are  
being held as evidence against them.The three men were arraigned be-  
fore Mayor Shook this morning on  
the charge of burglary and larceny,  
waived examination, and were bound  
over to the grand jury in the sum of  
\$200 bond. They were unable to  
furnish bond, and were committed  
to the county jail to await the action  
of the grand jury. Hughes and  
Althoff have been arrested several  
times in the past year for drunk-  
enness, and were periodical guests  
at the local police station. Mullen,  
who gave his name as Fisher, claims  
to be a railroad brakeman, has never  
been in trouble before.The robbery was discovered by  
Officer Mike Sullivan about 1 o'clock  
Sunday morning, although at that  
time it was believed that the glass  
in the door had been broken out by  
some drunken man who had lost his  
balance and had fallen against the  
door. Mr. Neuman, the proprietor  
of the saloon, was at once notified  
and came to investigate. He dis-  
covered that a half-dozen quart bot-  
tles of whiskey and other minor ar-  
ticles had been stolen.Night officers worked until morn-  
ing on the case, but were unable to  
strike a clue to the guilty parties.  
Detective Reed and Heffernan con-  
tinued the hunt when they came on  
duty early Sunday morning, and in  
a short time, rounded up the three  
suspects in the north end of the C.  
H. & D. yards. They were placed  
under arrest, and taken to police  
station, pending an investigation.The robbery of the Neuman sa-  
loon is the second saloon robbery  
that has been pulled off in the past  
two weeks. Two weeks ago last  
night, the Henry Keller saloon on  
east Market street, was entered by  
thieves and several bottles of  
whiskey and beer stolen. Four  
men are now in the county jail  
awaiting the examination of the  
grand jury in the case, and it is said  
that two of them have confessedtheir guilt, implicating the other  
two.**VENGEANCE OF DURAND**

tour of the big cities. It is said to  
be one of the cleverest entertain-  
ments ever provided by this prolific  
writer of musical and farcical  
comedy of the clean, wholesome  
type. The plot is amusingly novel,  
the situations dramatic and sur-  
prisingly unique, especially in the  
second act, which is played as a  
straight farce without a note of  
music, yet goes with a rapid-fire  
dash and vim that is highly exhi-  
biting, and provokes a veritable  
whirlwind of laughter. The other  
two acts are said to be filled with  
songs, dances, choruses and chorus  
girls. Charles King heads the  
splendid cast of well known players,  
which includes William Keough,  
Edgar Halstead, Purcell B. Pratt,  
Henry Santrey, Donald G. Crisp,  
Lila Rhodes, Julia Ralph, Dickie  
Delore, Lillian Tucker, Florence  
Dunlap and Josephine Rhodes. There  
is a chorus of thirty.**\* MRS. CLEVELAND  
MARRIED TODAY.**Princeton, N. J., Feb. 10.—  
Mrs. Grover Cleveland and  
Thomas Jex Preston, Jr., were  
married at 10:30 o'clock this  
morning by President John  
Grier Hibben of Princeton Uni-  
versity, in Prospect, the execu-  
tive residence of the university.No preliminary announcement  
had been made of the marriage,  
and the utmost simplicity was  
observed in the ceremony.Because of the recent illness  
of Mr. Preston, the wedding was  
private, the other guests in ad-  
dition to the members of the  
two immediate families being  
President and Mrs. Hibben,  
Miss Elizabeth Hibben and An-  
drew F. West, dean of Prince-  
ton's graduate school.The bride wore a simple white  
silk gown and carried a bou-  
quet of white lily-of-the-valley  
roses.The wedding breakfast was  
served at Prospect immediately  
after the ceremony. Mr. and  
Mrs. Preston will spend the re-  
mainder of the winter in Flor-  
ida.No announcement cards were  
sent out.**SUCCESSFUL ROOT AND HERB  
REMEDY.**The study of roots and herbs,  
their character and power over dis-  
ease, was what led Lydia E. Pink-  
ham of Lynn, Mass., to produce for  
woman's ills the most successful  
remedy the world has ever known,  
and while she passed to her reward  
some years ago, her work among  
suffering women is still carried on  
by trained assistants and many tons  
of roots and herbs are consumed an-  
nually in the manufacture of the  
now famous Lydia E. Pinkham's  
Vegetable Compound, as originated  
by her.**Children Cry

Week Announced by the  
Y. M. C. A. Secretary.**FOUR MEETINGS  
DURING THE WEEK.****Much Good is Being Accom-  
plished, and Meetings  
Will Continue.**Secretary Frank Eberhardt of the  
Y. M. C. A., this morning announced  
the schedule of the shop meetings  
for the coming week. These meet-  
ings have been continued winter-  
long since early '09 and have  
proven highly entertaining and in-  
structive to the men employed in the  
local shops and factories.Tomorrow noon, Rev. A. B. Jouze,  
pastor of the Central Church of  
Christ, will deliver his second of a  
series of addresses to the employees  
of the Lima Locomotive corporation.  
The meeting will be held in the erect-  
ing shop of the plant, and has been  
extensively advertised throughout  
the entire plant.Mr. House has taken for his sub-  
ject tomorrow, "The Problem of  
Temptation." Last Tuesday noon,  
he spoke on "The Right sort of a  
Man," while in the two succeeding  
meetings, he will talk on the sub-  
jects, "Things Around Home" and  
"Locomotive Boils." Special music  
will be rendered at tomorrow's meet-  
ing by a mixed quartette from the  
choir of the First Christian church.  
Frank Eberhardt, secretary of the  
Y. M. C. A., will be the chief speaker  
at the meeting to be held in the C.  
H. & D. coach shops, tomorrow noon,  
to which all employees of the C. H.& D shops have been invited. Mr.  
Eberhardt will start a series of talks  
on the origin of the Holy Bible which  
will be continued for several weeks.  
Music will be furnished by local  
talent.Rev. E. D. Gilbert, pastor of the  
First Christian church, will address  
the noon day meeting to be held at  
the L. E. & W. shops, Wednesday.  
The musical program will be in  
charge of members of one of the  
church choirs in the city.No meeting will be held on Thurs-  
day, but on Friday, Rev. Thomas  
Knox of the Market Street Presby-  
terian church will conduct a noon  
day meeting at the Ohio Steel Found-  
ry company. Music will be fur-  
nished by Mr. and Mrs. Charles Barr.Nothing that has been attempted  
by the Y. M. C. A. in the way of  
outside work has met with such fa-  
vor as have the shop meetings which  
were inaugurated early last fall, and  
they will be continued throughout  
the winter season. The meetings are  
attended by large crowds wherever  
they are held, and offer a welcome  
relief to the men from the monotony  
of their daily routine. The spiritual  
effect of the meetings is also quite  
noticeable in the church attendance  
throughout the city and in the inter-  
est and enthusiasm manifested in the  
church work.**Children Cry

First Baptist	3	3	.500
First U. B.	2	3	.400
S. S. C. of C.	1	5	.167
First Christian	0	6	.000

With three out of the four con-  
tests of the evening very close, so  
close in their results, in fact, that  
not until the last minute of play was  
the winner decided, the Saturday  
evening series in the Church Basket  
Ball league, was probably the best  
that has yet been played.

Three of the teams fought three  
other teams so closely that two of  
the scores were within two points of  
those of the opponents, while in the  
third contest the correctness of the  
official score which declared the  
First United Brethren team winner

## Wan, Weary and Worn Out

If You Feel Fagged to a Fin-  
ish and Utterly Used Up  
Here is Quick Relief.

Don't Be Chained to the Hitching  
Post of Weariness.

Half the people you meet complain of  
weary muscles, stagnant brain, jangled  
nerves, and a powerful desire to lay  
down and just quit. Most of these people  
have been using margarine that spasmodi-  
cally flare up the nerves only to die  
down again, as do they must. Avoid  
nerve stimulants. Bear in mind that pain  
worn out feeling is due to poor blood,  
to bacteria in the water you drink, to  
the multiplying of destructive germs in  
the blood faster than they can be over-  
come by the white corpuscles; and to  
what is known as auto-toxemia, that con-  
dition where the venous or impure blood  
accumulates faster than it can be re-  
placed by the red arterial blood.

If you feel better at once, not from a  
stimulant, not from the action of drugs,  
but from the rational effect of a natural  
medicine just as active and just as time-  
ly as to a man who has been lost in the  
mountains, is about starving and comes  
across a settler just cooking a savory  
meal of good honest beef. Do not neglect  
to get a bottle of S. S. S. today. It will  
make you feel better in just a few min-  
utes. It is prepared only in the labora-  
tory of The Swift Specific Co., 127 Swift  
Bldg., Atlanta, Ga. Send for their free  
book telling of the many strange condi-  
tions that afflict the human family by  
reason of impoverished blood.

over the S. S. Church of Christ team  
by one point, has been challenged,  
and the recording of it protested.

Olivet, by their victory of fifteen  
to thirteen over the Central Church  
of Christ, maintained their hold on  
the first place, while the winning of  
Trinity over First Baptist, at twenty-  
five to twenty-three kept them in  
control of the second position. The  
Market Street Presbyterians, by a  
sweeping victory over the tallend-  
ers, the First Christian Eve, advan-  
ced a notch in the standing, coming  
into full possession of the third reg-  
ister.

The scores Saturday night were:  
First U. B., 18; S. S. Church of  
Christ, 17.

Trinity M. E., 25; First Baptist,  
23.

Market Street Presbyterian, 44;  
First Christian, 2.

Olivet Presbyterian, 15; Central  
Church of Christ, 13.

## MODERN WOODMEN IN NOBLE CAUSE.

The Modern Woodmen of America,  
a bunch of hustlers, will give an  
entertainment in the Memorial hall,  
the evening of March 25, the pro-  
ceeds to be applied for the equip-  
ment of playgrounds for the chil-  
dren of the city.

This is a very commendable act  
on the part of the Camp and will  
meet with a hearty approval of the  
citizens of the city and will receive,  
as it deserves, the patronage and  
support of the general public.

Arrangements are being com-  
pleted to make this one of the  
largest popular gatherings and a  
splendid program is being arranged  
of musical numbers, readings, etc.,  
which insures a very pleasant, as  
well as, profitable entertainment for  
all.

The committee in charge consists  
of C. A. Graham, D. S. Blank and J.  
R. Glenn, who are now arranging  
the program.

Columbus, O., Feb. 10.--Counties  
can not expend more than \$2,500 in  
the celebration of any event other  
than the 100th anniversary of their  
founding, according to an opinion  
handed down by Attorney General  
Hogan. The question was raised by  
the member of the Perry centennial  
commission, who stated that the  
county commissioners of Ottawa  
county desired to contribute to the  
Perry centennial fund under the law  
which says that a maximum appro-  
priation of \$15,500 may be contri-  
buted by a county for a centennial.  
If any amount more than \$2,500  
is appropriated for a centennial, the

**BRAZILIANS WIDE AWAKE**

**MAKE CONCESSIONS TO UNITED STATES**  
Which Will Result in Increased Business for Both Nations.  
Washington, Feb. 10.—Tariff concessions have been made by Brazil on a number of products from the United States as a result of diplomatic representations made by the state department through the American embassy at Rio Janeiro.  
Ambassador Morgan in reporting them says that hydraulic rams, formerly subject to a duty of 90 per cent ad valorem, are to be admitted under the new classification provided for in the 1913 budget just approved by the Brazilian congress on payment of 15 per cent duty. Fuel oil, he reports, has been placed on the free list, when it is imported by or for steamship companies, railways or industrial enterprises using steam as motive power. American oil companies sought the aid of the state department, it was announced, in obtaining better tariff treatment; and the tariff charges are expected to stimulate the sale of fuel oil throughout Brazil. Vessels entering Rio de Janeiro loaded with fuel oil are to be exempted from the port tax.  
Reductions were made also on school furniture and on welded fencing, including accompanying posts for farmers and stock raisers.  
For some years Brazil has given preferential tariff rates to certain products from this country, due to the fact that the United States is such an immense buyer of coffee and India rubber.

## SHE STOOD LONG TRIP TO SOUTH VERY WELL

No Ill Effects Came of Long Journey of Madame Emily Wakefield to Louisiana.

A card received this morning by Mrs. Josephine Timberlake, of 703 West Market street, from Mrs. Nellie Lowery, states that the condition of Madame Wakefield is very good, notwithstanding the trip to Shreveport. Madame Wakefield and Mrs. Lowery left Lima Wednesday afternoon and although at that time, Madame Wakefield had to be carried to the carriage for transportation to the station, she stood the trip south wonderfully well. While the first few hundred miles of the journey appeared rather trying, the latter part was most pleasant to her.  
From Mrs. Lowery comes the information that Madame Wakefield may completely recover her vigor and strength under the warm climate and sunny skies of Louisiana. She is at the home of her son, Harold Wakefield.

IF KENNEDY BILL IS ACCEPTED.

Allen County Representative Asks Legislation for \$25,000.

Columbus, O., Feb. 10.—Special counsel in the office of Attorney General Hogan today completed their draft of the proposed administration bill, which will be presented to the legislature this week and which provides for an industrial commission to assume charge of the departments of workshops and factories, the office of the state labor commissioner, the inspector of boilers and steam engines and similar departments.

The bill was presented to Governor Cox, and if found to be what the chief executive wants, probably will be introduced in the legislature some time within the next few days.  
Representative Kennedy, of Lima, will introduce a bill in the house today appropriating \$25,000 for a monument to be placed at Fort Amanda, Auglaize county, where 78 troops who fought in the war of 1812 and the Indian wars are buried. Fort Amanda is located on the Auglaize river about 10 miles from Lima and is said to be the place where several of Commodore O. H. Perry's ships were built.

## HONOR MEMORY OF ABRAHAM LINCOLN.

Lima Personal Workers Devoted Yesterday to Martyred President.

Yesterday's regular meeting of the Lima Personal Workers' League held in the Y. M. C. A. auditorium, was devoted to the memory of Abraham Lincoln, and the review of his life and the story of his martyrdom formed the chief theme of the afternoon's service.  
Rev. Franklin A. Stiles, pastor of the First Baptist church, delivered an appropriate eulogy to the martyred president, emphasizing the fact that above all else in his life, nothing stood out more prominently than his devotion to the cause of Christianity and his strict adherence to his religious beliefs.  
Music for the meeting was furnished by the choir from the First Baptist church, and was appropriate for the occasion. The meeting was largely attended.

## PROPERTY OF SHOW TROUPE

Attached to Secure Salary of Musical Director Wilson.

THE MANAGER WAS OBEDIENT

Until Informed by Constable That He Would Have to Settle in Full.

Just about the time that the stage hands at the Orpheum theatre were getting ready to load the scenery and baggage belonging to "The Cat and the Fiddle Company" on transfer wagons after the closing performance at the Orpheum theatre Saturday night, Constable Chapman, armed with a writ of attachment, arrived on the scene and gave orders that not one article could be moved until the management of the company had settled in full with Musical Director Wilson, who quit the company Saturday evening.

Wilson claimed that there was due him from the company one week's salary, amounting to \$35, which the manager refused to pay him unless he would agree to continue with the company one week longer. The director maintained that it was a physical impossibility for him to direct the show, as he suffered painful burns about the hands about a week ago, and was in no shape to work. He had in his possession a certificate from a local physician, stating that he was unfit for work, and should not attempt to play until his wounds had healed.  
This explanation failed to satisfy the manager, who informed Wilson that his salary would not be forthcoming until next Saturday night. Wilson immediately repaired to the office of Justice of the Peace Holmes, where a writ of attachment on the property of the company was issued.  
The arrival of Constable Chapman failed to have the desired effect at first, and it was not until the house attaches were preparing to leave with the scenery undisturbed that the manager finally relented and paid over to Wilson the amount of his week's salary, in addition to over \$5 court costs.

Wilson has been laboring under a serious handicap all week, having been compelled to direct the performance with one hand on account of his injuries. Although suffering severe pain, the director stuck to his post, and did not miss a single performance during the week.  
Wilson is quite well known in Lima, having been musical director at the Lyric theatre for several weeks last season. He is a capable musician and has a host of friends in this city.

Conductor S. L. Miller, Norfolk, Neb., on Boneville Division of the N. & W. Ry. ## SHILOH MAN CLAIMS LIMA GIRL FOR BRIDE

Rolland McBride and Lena Noss Are United in Marriage Saturday Afternoon.

Miss Lena B. Noss, of Elyria, but who for some time past has made her home in Lima with her brother, Raymond Noss, of 1064 West Spring street, and Mr. Rolland McBride, of Shiloh, Ohio, were married Saturday afternoon at four o'clock. The ceremony took place at the home of the officiating clergyman, Rev. G. C. Schaub, of 122 South McDonald street, who is pastor of the Spring Street Lutheran church. The young people were accompanied by Mr. Noss, who is an employee of the Gram motor plant.

The young couple left for a wedding trip of a week or ten days and upon their return, will take up their residence in Shiloh, where the bridegroom is employed as a millwright.

# HIGH SCHOOL TEACHER FACES UGLY CHARGES

**GEORGE R. FISHER, A  
PROFESSOR OF TWO  
BRANCHES**

**Accused of Using Language  
Unbecoming a School  
Teacher.**

TAKES ACTION**

**So Far as to Inquire of the

tem of Pedagogy.**

**Prof. Fisher Says 'Flunked'  
Pupils Are Behind  
Fabrication.**

A petition is being circulated today among the parents of children enrolled in the classes of Prof. Geo. R. Fisher, teacher of French and Natural Science in the Lima high school, asking for his removal by the board of education on the ground that he has been using language unbecoming a teacher in the handling of certain subjects in the class room. The petition is being freely signed. It is claimed, and when presented to the board of education at its regular semi-monthly meeting tomorrow evening, will contain enough signatures to warrant some action being taken by the board.

Rumors that there was considerable objection among the parents to the manner in which Prof. Fisher was conducting his classes have been noised about for several days, but it was not until today that the matter assumed such seriousness that Superintendent Davison and certain members of the board took official note of what was going on.

Prof. Fisher was closed for several minutes this afternoon with Superintendent Davison and Clerk Munts of the board of education, but what transpired at the conference was not given out. It is known, however, that the accused professor will be given every opportunity to exonerate himself of the charges, and that no person will be taken by the board until formal charges have been filed and a fair and impartial hearing held before the superintendent of schools and the teachers and parents committee of the board of education.

The charges that are being circulated against Prof. Fisher grew out of reports carried home by his parents by children who are enrolled

in his classes at the high school. Several instances are cited in which it is claimed that he overstepped the bounds of propriety and introduced subjects that have no place in the ordinary public school class room. To all of these charges, Prof. Fisher has entered a complete denial to the superintendent, and furthermore claims that a thorough investigation which he insists upon having, will wholly exonerate him.

The first intimation that drastic action was contemplated by those who are opposed to the professor was had when a committee, representing some of the parents, petitioned the Federation of Women's clubs to take up the matter, and in a written communication addressed to the board of education, request the removal of Prof. Fisher from his position as a member of the high school faculty. When such a plan was deemed unwise, it was decided to circulate a petition among the parents asking for his removal and present it to the board.

No formal complaint regarding Prof. Fisher and his manner of teaching has been registered with Superintendent Davison, and until such complaint is made to him, he will not act. However, so widespread did the rumors become and so much was the subject discussed at the high school building this morning, that he called Prof. Fisher into his office this afternoon, and discussed the reports with him in the presence of Clerk Munts, who is also chairman of the committee on teachers and salaries.

The accused professor went into each instance wherein it has been claimed that he had used unbecoming language in the presence of the pupils, and referred to the textbooks in use at the high school to support his position.

Prof. Fisher could not be interviewed this afternoon, as he was busy in the class room when a reporter called, but it was learned that he blames the entire affair upon certain pupils who have failed to secure passing grades in studies which they take under him. From a small beginning, the matter has reached such alarming proportions as to threaten the complete disorganization of the local high school system.

**Davison Talks.**  
Superintendent Davison hesitated to discuss the subject when visited at his office in the high school building this afternoon, but made no secret of the fact that he believed Prof. Fisher was being done an injustice by the widespread rumors that are being circulated reflecting upon his character as a teacher and a gentleman.

However, the superintendent stated that if formal complaint is made by responsible parties, the matter would be thoroughly investigated, and that if it was found that Prof. Fisher was at fault, that he would be removed. If on the other hand,

it developed that there were no grounds for the charges, the superintendent was positive in his statement that he would not have to suffer.

"Our first duty is to the public, and you can say that if the matter is referred to me, that it will be thoroughly investigated. From Prof. Fisher's statement, it is hard for me to see wherein he has acted differently from any other teacher under the same circumstances, and it will require something more than idle rumors to convince the board that he has acted unbecomingly."

"Wherever inquiry was made concerning Prof. Fisher prior to the time he was hired by the board, the most commendable reports were returned, both as to his efficiency as a teacher and as to his character as a gentleman. It is hard for me to understand, in view of his past life, how he could be guilty of the offenses charged by certain people who are so strongly opposed to him. "Evil minded persons could trump up similar charges against any teacher in the public schools in this city, and in some instances have some basis for the charges, even though the teacher be perfectly innocent of any wrong-doing. Prof. Fisher has not deviated from the text books in one particular, so far as I am able to learn."

Prof. Davison exhibited a type-written report mailed him by the state inspector of high schools, commenting upon his visit to the Lima high school some weeks ago, in which the work of Prof. Fisher was highly praised. He was highly commended by the inspector as a thorough scholar, an excellent teacher, and a fine disciplinarian.

The superintendent himself has a record of some thirty or more visits made by himself to Prof. Fisher's class room, in addition to a mental record of several other visits not recorded in his book arranged for that purpose. Not at any time did he find any occasion to criticize the work of Prof. Fisher, except possibly, in some minor details which have no bearing on the charges contained in the petition that is being circulated.

**Native of Wapakoneta.**  
Prof. Fisher is a native of Wapakoneta, and entered upon his duties as a teacher in the Lima high school last September, coming here from Villa Nova university, where he filled the chair of Science and Languages. He gave up the college work at the earnest solicitation of his wife, who was desirous of living near her home.

Prior to going to Villa Nova College as a teacher, Prof. Fisher had many years of experience in teaching, having taught at various intervals while he was working his way through Ohio Northern University and Harvard University.

"He is a graduate of Ohio Northern University, and later secured the master of arts degree at Harvard University, working his way through both institutions by teaching school. Letters commendatory to the extreme were received from the presidents of these two universities when the matter of offering him a position in the Lima high school faculty was up for consideration of Superintendent Davison and the teachers' committee, last summer."

A similar commendatory letter was received from the president of the Villa Nova University, who informed Superintendent Davison that his resignation from the faculty there had been accepted with the most reluctance, because of the splendid record he had made as a teacher and disciplinarian.

Prof. Fisher is married and has two children. His friends are confident that he will be exonerated when the complaints are thoroughly investigated, and that it will develop that other reasons besides interest in the schools actuated the desire to discredit him in the eyes of the Lima public.

**DR. MARY WALKER IN CHICAGO HOSPITAL.**

Chicago, Feb. 10.—Dr. Mary Walker, the noted suffragist leader, is critically ill at a hospital here as the result of a nervous shock, caused by a fall a week ago. Dr. Walker tripped on a rug as she entered a hall where she was to speak. She was bruised and physicians say her advanced age—she is 81 years old—is responsible for the accident resulting so seriously. It did not become known generally that Dr. Walker was in a hospital until last night when she failed to keep an engagement to lecture. The woman says that her arrest a short time ago was indirectly responsible for her fall as she says she strained herself in climbing into a patrol wagon.

**SHIP-BUILDING DOPE FOR JANUARY.**
